Club Vinicon Dinner - Tuesday 6th May

Join us for an exclusive dinner and tasting at GOLD Notting Hill, featuring a curated selection of wines from one of Portugal's oldest wineries: The Fladgate Partnership. Hosted by their Brand Director, Andre Martins.

This will be an unforgettable evening where we will indulge in exquisite wines from one of Portugal's most celebrated and vibrant wineries, paired with the exceptional dining at GOLD, renowned for its seasonal plates that balance simplicity and deliciousness.

With wineries dating back to the mid 16th Century the Fladgate Partnership not only owns the most famous names in Port but an exciting and expanding collection of premium table wines. We will sample their Sparkling project from Bairrada, coastal white wines from a 17th Century estate as well as a selection of some of the finest Red wines Portugal can produce.

Places are limited to 20 due to the venue's intimate style so please respond as soon as possible.
